SCHOLARSHIP

We endeavor to excel in academics by blending existing knowledge and modern ideas in order to acquire wisdom for the future.

HONOR

We strive to adhere to high standards of responsibility and ethical conduct, for we know that our efforts will culminate in the realization that we have maintained our integrity under the pressures of our modern world.

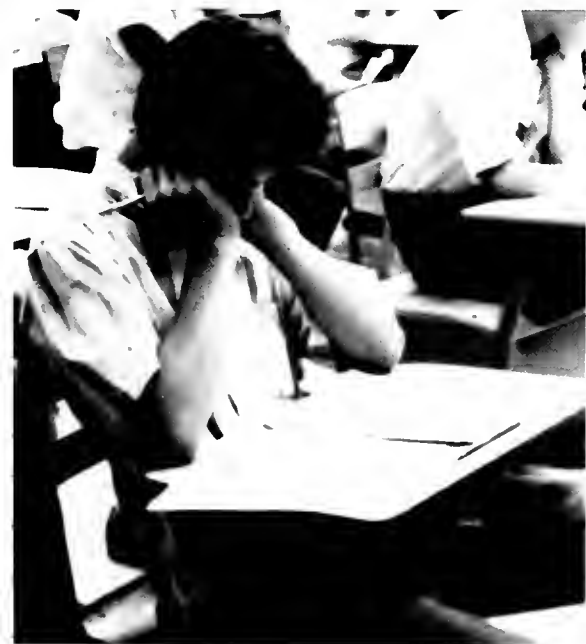

Minda

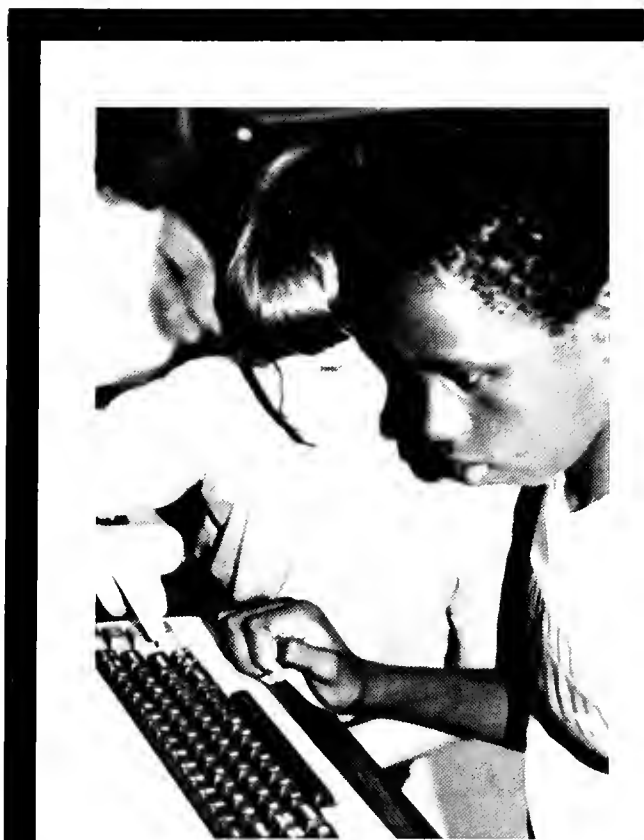

Ken, "Big Boy"

PERSEVERANCE

We are motivated by a sincere desire to learn, and we steadfastly pursue our goals, for we know that diligence often results in success.

INDIVIDUALITY

We learn to contribute to the group effort while maintaining our separate identities, and we realize that each of us has inherent qualities and is responsible for developing his distinct personality.

INDEPENDENCE

We have enough confidence in our efforts, judgments, and abilities to think for and rely upon ourselves, yet we remain open-minded in order to implement suggestions for improvement.

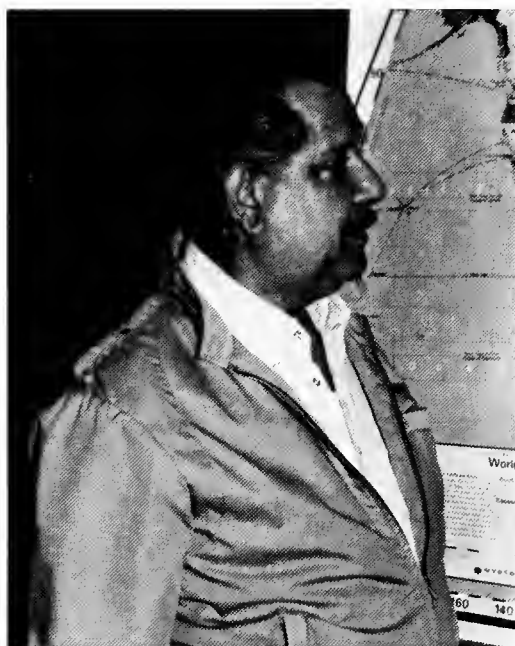

DEDICATION

Each year the annual staff honors individuals who have earned the respect and admiration of the students. For their service and involvement, the staff dedicates The Raider 1987 to Mr. Arthur Dilworth and Ms. Shawn Stubbs.

"Imagination enlarges vision, stretches the mind, challenges the impossible. Without imagination, thought comes to a halt."

Ms. Shawn Stubbs has served as an art instructor for the past three years. She chairs the discipline and bulletin board committees. In addition, she serves as an advisor to the yearbook staff. Her work was instrumental in the success of the Olympic Program at Mercer in 1986. We appreciate her hard work.

"Aspire to discover the greatness within yourself that you've never had the time to develop before. Paint, carve, play a musical instrument, invent, write a book, plant a garden ... CREATE!!!

Mr. Arthur Dilworth has given many years of service to Mercer Middle School. He has taught both science and mathematics. Mr. Dilworth has served on the discipline committee and the science committee. His cooperative spirit, cheerful manner, and dedication to Mercer have caused us to grow quite attached to him. Mr. Dilworth retires this school year, and the students and faculty members will certainly miss him.

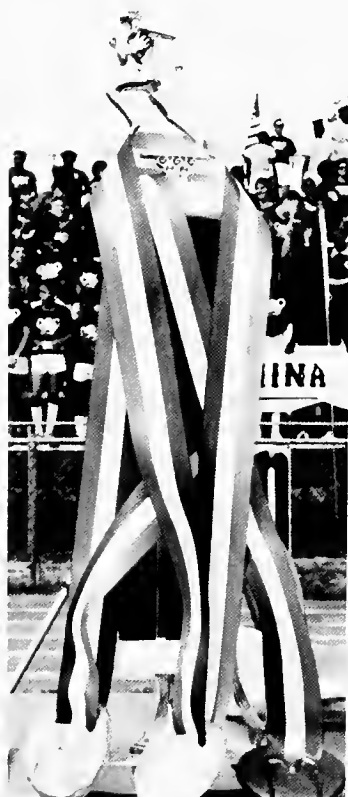

FEATURES

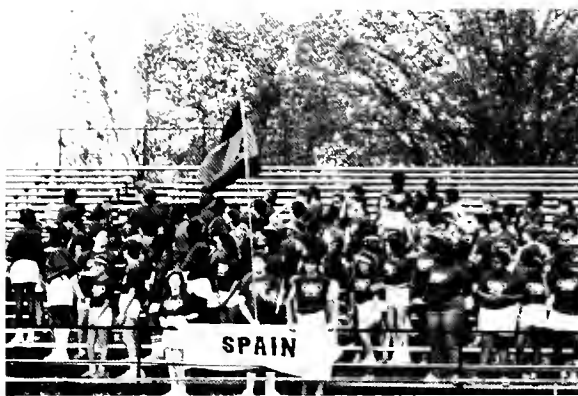

OLYMPICS '87

CLUBS AND ORGANIZATIONS

BETA CLUB

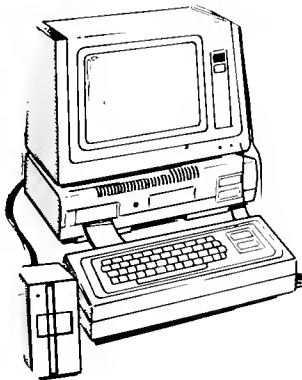

The Beta Club is a leadership-service organization. Its purpose is to encourage effort and reward merit among students. In addition, it seeks to promote qualities of character that make for good citizenship.

COMPUTING AT MERCER

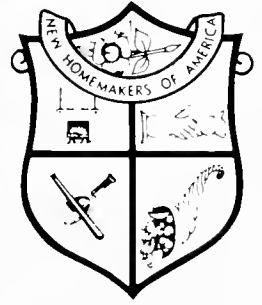

The Computer Club's purpose is to give students a chance to share knowledge and expertise in computer use and to give students, who are not taking a computer class, an opportunity to learn to operate a computer. The Computer Club also helps to encourage innovative uses of computers and provides an exciting educational activity for students.

The officers for this school year follow: Maria Lagrone, president; Nikki Snipes, secretary; and advisor, Mrs. E. Burton.

FUTURE HOMEMAKERS OF AMERICA

The purpose of the FHA is to provide opportunities for self-development and community living. The club encourages group involvement in helping achieve worldwide brotherhood, and it seeks to promote a greater understanding between youth and adults.

Students at Mercer Middle School participate in several community projects. They also attended the District FHA Meeting. The organization sponsors the annual Valentine's Day dance.

The 1986-87 officers follow: Michelle Stafford, president; Vanessa Hooks, secretary; and Antionette Purnell, treasurer. Ms. Karen Martin advises the group.

AMERICAN INDUSTRIAL ARTS STUDENT ASSOCIATION

In addition, the organization provides leadership training. The club participates in a leadership training workshop and the State Industrial Arts Conference.

Leaders of the group follow: Ashley Jeffcoat, president; Brian Wardlaw, vice president; and Alex Nease, secretary-treasurer. Mr. Neville Floyd coordinates this activity.

LET THE MUSIC PLAY

SIXTH GRADE BAND

SEVENTH GRADE BAND

The Mercer Raider band is directed by Mr. Russell Sena. The band is composed of musically inclined 6th, 7th, and 8th grade students. The band participates in many programs throughout the school year. EIGHTH GRADE BAND

AND GLADLY DO THEY SING!

The Mercer Middle School Chorus is under the direction of Mrs. Kathy Maher. These talented artists have earned many accolades for their performances on campus and in the community!

The highlight of this school year was a presentation of "Hooray for Hollywood!" Don't be surprised to find some of our artists really appearing on "Broadway" in the future.

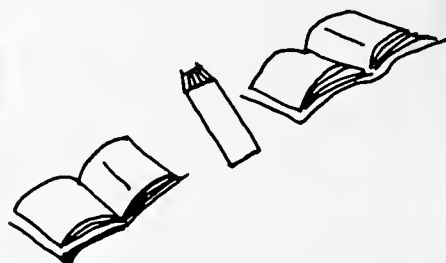

PARLEZ-VOUS FRANCAIS?

France is a great country, and French is a very exciting language. Members of the French Club enjoy learning about French customs, and they are proud to be able to hold conversations in French. Madame Wisenbaker coordinates this activity. The officers follow: Jennifer Bachman, president; Rob Bryan, vice-president; secretary, Cary Green; and Sean Steerman, treasurer — Parlez vous Francais? Oui.

THE WORLD OF FACT AND FICTION

The purpose of the Reading Club is to promote and encourage an interest in reading as a source of information as well as an enjoyable pastime.

Mrs. Patricia Ervin coordinates this exciting activity.

STUDENT LEADERS

Lisa Bennett
Student Council President

Mercer Middle School is fortunate to have a very competent and dynamic Student Council. These enthusiastic students work extremely hard to make Mercer an enjoyable place to work and share ideas. The officers for this school year follow: Lisa Bennett, president; Willie Campbell, vice president; Tabitha Dewberry, secretary; Brad Butterworth, assistant secretary; Jauron Grimes, chaplain; Wendy Lively, parliamentarian; and Leigh Townsend, treasurer.

They also cover special events that take place at school. Kim Burton and Steven Smith serve as editors of Raider Review. Mrs. Zahlit and Mrs. Ellis serve as advisors.

MEET THE YEARBOOK STAFF!

The Raider yearbook staff is anchored by Katrina Chilen and Jennifer Mixon. The passwords for this year are Work! Work! Work! This year's theme is centered around the admirable virtues termed Scholarship, Honor, Individuality and Independence. Planting for the Future

Thanks to the advanced research programs of Union Camp and other forest products companies, tree farming is now more efficient than ever. Genetically superior seedlings planted today can reach a height of 60 feet in 20 years.

As we harvest each crop of trees, we replace them three-fold with genetically superior seedlings from our nurseries. These plantations, which provide twice the wood fiber as those from natural stands, along with our seed orchards and nurseries are the laboratories of tomorrow's forests.

Our experiences at Mercer have helped in shaping our lives,
and upon graduation we discover that we have acquired virtues
and lasting friends.

How do you say thank you for the happy times and sad times that have filled our lives here? We are grateful to those who made this experience possible for us, and we will cherish our memories forever.

We will say good-bye knowing that we are better for what we have acquired.

Jeff,

It's bad we couldn't be in the
same classes this year, but it
